I came out to the West and took land in a dry country & after a little while I learned that the settlers near Irvine only got one crop every three or four years and decided to get out. I notified the Section Chief office in the fall of 1910.

Sir,

I beg to acknowledge the receipt of your letter of the 4th instant, and in reply to say if you will fill in and return the enclosed blank form of statement (No. 36) showing exactly what residence, cultivation and other improvements you have completed in connection with your entry for the West half of Section 33, Township 26, Range 1, West of the 4th Meridian, you will be advised what further duties, if any, are still necessary before you will be in a position to make a successful application for patent. I would point out however, that the Dominion Lands Act requires the performance of six months' residence in each of three years, and that shortage of any residence in one year cannot be made up by the performance of additional residence in a succeeding year, that is six months' residence must be completed in twelve consecutive months.

Your obedient servant,

I. NEWMAN

Assistant Secretary.

Sir,

Referring to your application for patent for No. 1 of 33-26-1-W. of 4th your South African Volunteer Bounty homestead, I beg to point out that according to the application you can only be credited with two periods of residence and as advised you by the Departmental communication of the 16th of December last, the Dominion Lands Act requires the performance of six months residence in each of three years, it will be necessary before any further action can be taken in the matter for you to complete another period of six months residence.

If you remain in residence on your land from the 19th of January, the date of your application, until the end of June next you will apparently have completed the necessary residence and the Department will then be able to deal with the matter further. After this period of residence has been performed you should execute a supplementary statement corroborated by two disinterested witnesses showing exactly what residence you have performed.

When this document comes to hand, your application for patent will be given further consideration.  
Robert S. Potter, Esq.,

Your obedient servant,

Saskatchewan.

Dear Sir - Yours of the 4th inst. has been forwarded to me from Alaska and I was greatly surprised to receive such communication. The time of the 26/12 moved to the 1/2 of 30-31-1w4, began on 31-1-1w4 on June 3 and returned Dec. 3rd of the same year. After I lived there for 1 month on the 1/2 of 30-31-1w4 and returned to the w 1/2 of 33-26-1 w 4. and remained there until July 3rd, when I moved to the w 1/2 of 30-31-1w4. I lived there until Dec. 3. on which I returned to the w 1/2 of 33-26-1w4. I lived there until Mar. 26/14. I moved to the 1/2 of 30-31-1w4 and lived there until Sept. 26/14. I returned to the w 1/2 of 33-26-1w4.

and completed my duties on Jan.  
7/13.

You can easily see from this that  
I lived 6 months in each of three  
secutive years, on each half section.  
First year would be from Jan. 26/12  
Jan. 26/13. The second from Jan 26  
till Jan. 26/14, and the third  
year from Jan 26/14  
Jan 26/15.

The time would be as follows, -

Jan 26 to June 3. + Dec. 3 to Jan 26.

Jan 26 to Apr 19 + May 20 to June 3 +  
Dec. 3 to Jan 26.

Jan 26 to Mar 26 + Sept. 27 to Jan 27.

Hoping this will prove satisfactory

Sir:-

I beg to inform you that your entry for the 3.0.4 of 23-17-2-test 4th. will now be cancelled in accordance with the Declaration of Abandonment executed by you.

You apparently are desirous of relinquishing this quarter-section in favour of your mother, in order that she may locate a pre-emption entry thereon, and I am to say that this would appear to be satisfactory, providing your mother is eligible for entry, and it would be necessary for her to appear before the local agent of Dominion Lands for the district in which the land is situated within thirty days from this date, and ask for entry for the land upon the usual terms, but should she fail to do so, the quarter-section will then be posted, and disposed of in the ordinary manner.

Sir,

I am directed to acknowledge the receipt of your letter of the 20th instant, enclosing South African Volunteer Bounty Land Certificate No. 5990, issued to Arthur Stanley Richmond, together with an instrument under the Volunteer Bounty Act, 1908, appointing George Thomas Proudfoot, of Jackville, Alberta, his substitute.

These documents are returned to you herewith for correction of the instrument appointing substitute, the execution thereof not having been properly proved.

John W. Arthur, the Justice of the Peace, has signed in place of the witness, and the witness, R. A. McGilvray, who makes affidavit before the Justice of the Peace that he was a subscribing witness to the instrument, has not signed the document, as the witness.

It will therefore be necessary to have the execution of the instrument in question corrected, or to obtain a new one.

Your obedient servant,

Dear Sir,

Your letter of Sept 24th - No. 18-1227  
received. I note what you have to say  
regarding South African Volunteer Bounty  
Certificate sent you for registration in my  
father's name. You are of course familiar  
with the way this S. A. Scrip is handled  
by our real estate men. How they get  
the veteran to leave his certificate with  
them together with an instrument  
appointing substitute, filled in, all  
except the name of the substitute. A  
person wanting to scrip a piece of  
land buys one of these certificates and instrument  
appointing substitute attached thereto  
and then fills in his own name as  
substitute and then sends it to you  
have himself registered as such substitute.

2255893

Now I bought Richmond scrip from  
Hemedy & Alexander, real estate men of  
Savannah. I paid \$4000 for it. They  
were selling it for Alexander Leitch  
& Leitch. But I do not know how  
many times it changed hands before  
that time.

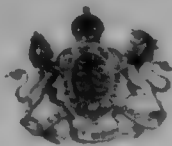

I have sent a form over  
to Richmond in Glasgow asking him  
to have it filled out properly and returned  
that if he refuses, or wants \$200 or \$2000  
to do it, what if he cannot  
be located or is dead. There is no  
mistaking that his intention was to  
run away his right to it. Give me  
all instructions as to the best way to  
straighten him up.

Again the land is gone my  
father wanted to get. He does not  
wish to act as substitute, but wishes  
to sell the thing. Anything against  
our regulations in doing so.

Yours truly

John C. Leitch

Sir,

In reply to your letter of the 13th instant I am directed to say that it is not within the province of this Department to advise you in the matter of your dealings with the grantee, Mr. Richmond, as that is a matter which could, if desired, be dealt with in a Court of Law.

Should the instrument, accompanied by the land certificate be sent to this Department for registration, properly executed and signed by the volunteer, it will be registered and the endorsed certificate in favour of the substitute will be

Encl. returned in order that the substitute may make entry before an Agent of Dominion Lands. A substitute once appointed may not assign his right so that if as stated in your letter your brother does not wish to act as substitute his name should not be inserted in the instrument appointing substitute executed by Mr. Richmond.

A copy of the Regulations relating to Dominion Lands is enclosed herewith, to pages 33--36 of which your special attention is directed.

On December 1st the agent at Fairbanks sent the Departmental cheque for \$265.00 to Mr. Deering at Irvine, Alaska.

Letter further took place with Messrs. Davidson & Beattie who on the 10th of February, 1918, called attention to their letter of the 1st August and 14th of October, 1917, stating they had no reply.

As a matter of fact their first letter was not answered, but their second letter was replied to within a few days.

In their letter of February 1918 they complained that their letters were ignored and asked for a refund of once of the \$100.00 and \$95.00. Four days after their letter was received a reply was sent expressing regret that their letter of August had been covered up and had not been answered, saying that the amount of \$200.00 from the Fairbanks Homestead account to the Seal Creek account was stated, and the agent would be asked for a report. I suppose the reason for asking the agent for a report was that Messrs. Davidson & Beattie reported that they paid \$265.00 in September, whereas the agent's letter reported the payment was received from Mr. Deering. Our letter should have stated that a refund of \$265.00, overpaid, had been made to Mr. Deering in December, but this was not included in our letter, and the reason for this omission was that we had only the Fairbanks Homestead file, the account value of the Seal Creek ranch being on the scrip file.

This omission was rectified by a letter written to Messrs. Davidson & Beattie on the 10th of March in which they were informed of the payment to Mr. Deering on December 1st.

The papers were then referred from here to the Seal Creek ranch for any further action that the latter branch might consider necessary.

Respectfully Submitted,

According to the last stamp on Mr. Deering's letter it would appear that the Seed Grain Branch received notice from the Agent of the Government of Mr. Deering on the 14th of September, whereupon the proceeds of the transfer, of the money previously given to Mr. Deering's credit in the bank, were transferred to his personal account, and completed the work on the 10th of October.

Messrs Davidson and Beattie's second letter is dated October 31st, received in this office November 2nd and answered November 14th, telling them that the money paid by Mr. Deering to his wife's installment of his installment payments was received, and the money collected for improvements on the land transferred to his credit account.

It is not surprising that they say now they have received no answer to this letter as, apparently, such answer was sent. They say that we will write them but not in reply to this letter. However, our letter of November 14th acknowledges theirs.

The letter to the Agent at Medicine Hat, written on the 14th of September, stating that Mr. Deering had paid \$266.39 on his Seed Grain debt was answered on November 20th by the Controller of Revenue, stating that the account stands paid in full and \$266.39, overpaid, being transferred from Mr. Deering's personal to credit payment and improvement account. The Agent was informed that a refund cheque for \$266.39, overpaid, will be forwarded with as little delay as possible.

The Seed Grain Branch then applied for a refund in favour of Mr. Deering for \$266.39, encloses payment. Cheque issued December 15th and forwarded to the Agent at Medicine Hat December 16th.

Disclosures of the films given by Mr. Deering were forwarded to the Registrar by the Patent Branch on December 31st (copy of letter sent to Mr. Deering at Irvine, Alberta).

When this action was completed Messrs. Davidson and Beattie's letter of the 4th of December was received in this office, stating that in light of the fact that the Agent at Medicine Hat had agreed to discharge Mr. Deering's Seed Grain debt, they, therefore, asked that cheques be returned in case for the overpayment, as Mr. Deering left, and that they felt that it was time a refund was made to him.

This letter bears the following inscription:

"Cheque mailed on 11th December, 1917, to  
"The Registrar, S.D.R."

this information this branch again sent the papers to the Seed Grain Branch on the 1st of August to figure up the interest, which was done and the papers were returned here on the 20th of August with the required information.

On the 21st of August an application was prepared for a refund cheque in favour of the Receiver General, covering the amount standing to Mr. Deering's credit in connection with his patent money (both instalment and improvement money).

The Patent Branch made out an application for refund on the 29th of August and the cheque was issued on the 27th of September. On the 10th of October receipts were made out by the Controller of Revenue for \$160.00 (instalment) and \$98.00 (improvement money) in favour of Mr. Deering, for transfer to the Seed Grain account.

On the 10th of October Mr. Deering was notified that this transfer had been made.

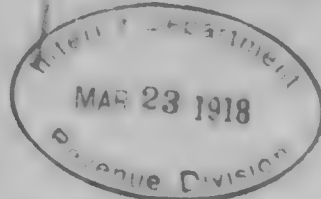

During the time this work was going on Messrs. Davison & Beattie wrote a letter, dated the 1st of August, 1917, in which they stated that Mr. Deering had never received the amount due him and asked to have a cheque issued and forwarded to him in their care. This letter was attached to the file three days after we had completed our requisition for a transfer to the Receiver General, but it appears that some one reversed the order of the attachments and placed Messrs. Davison's and Beattie's letter under the completed requisition. The papers then went to the Patent Branch for action. It is impossible to tell at this date the place the requisition for refund on top of the firm's letter; undoubtedly, a letter should have been written to them explaining what was being done.

After the completion of the action, as above recited, there was then received and attached to the Scrip file a letter from the Agent to the Controller of Revenue, dated the 14th of September, advising him that the Agent had received from Otto Deering, \$260.00 on account of his Seed Grain indebtedness. This information appears to have reached the Seed Grain Branch on the 14th of September in the first place and evidently travelled about considerably as there are six date stamps on the letter, the last being October 20th, that the transfer to the Receiver General had been completed.

It is to be noted that this branch received notice of the payment to Mr. Deering on account of Seed Grain debt, November 20th, ~~where~~ transfer to the Receiver General had been completed.

Purchase Homestead, Otto Seering,  
Entry cancelled.*

You have asked for a report in reference to a complaint of Messrs. Davidson & Seattle of delay in dealing with their letters.

Otto Seering, secured advances of seed grain and fodder, and became indebted to the Department for a considerable amount.

In March, 1917, he abandoned his purchased homestead entry, above described, and the entry was cancelled.

He wrote asking that the amount paid by him on his purchased homestead be placed to his credit on the Seed Grain account, also the amount collected for improvements be applied in the reduction of his indebtedness. His letter was acknowledged by the Controller of Revenue and a statement of the indebtedness was obtained, dated the 11th of April.

About the same time the Agent sent here a copy of his instructions to the Inspector telling him to value the improvements, and this was sent to him waiting the Inspector's report.

Apparently no action was taken until July, 1917, when the Agent reported that the land, formerly held by Mr. Seering, had been taken up again and that the new entrant had paid the balance due on account of improvements.

This entrant then applied for a reduction of the Seed Grain indebtedness, and was informed on the 27th of July. He then applied on the Patent Branch to have amount paid for improvements set on account.

which letter was addressed to the Assistant Secretary, received in the Registration Branch on the 18th December, 1917 and reached my office on the 29th December, 1917.

As the refund cheque for the \$255 in question was mailed on the 15th December, 1917, I knew it had reached Medicine Hat before the 29th December, 1917, and as no further action was necessary I marked the said letter accordingly.

When correspondence with reference to Seed Grain matters is addressed direct to the Controller of Revenue it reaches us promptly and is replied to as quickly as possible. In this instance the letter was addressed to the Assistant Secretary, was recorded in the Registration Branch, then sent to the Patents Branch and took nineteen days to reach this office.

Respectfully submitted,

Replying to your letter of the 4th instant wherein you ask that you be furnished with authority to take up another homestead, your homestead entry for the above described quarter-section having been cancelled through default, I beg to say that, as you appear to be eligible, the presentation and surrender of this letter to any Agent of Dominion Lands will serve as his authority for granting you another homestead entry for any available land on the ordinary terms.

Sir,-

I beg to acknowledge the receipt of your letter of the 27th ultimo, in connection with your desire to secure re-entry in lieu of the North East Quarter 19 - 59 - 23 - W. 4th Meridian, your entry for which was cancelled on the 28th of January last, and in reply to say that you are apparently entitled to this privilege.

The presentation of this letter to any Agent of Dominion Lands will serve as his authority for granting you another entry for any available land on the ordinary terms.

I may say that a letter advising you that your entry for this land had been cancelled was mailed on the 28th January last, and returned by the postal authorities as uncalled for. This also contained the necessary authority for re-entry.

Your obedient servant,

Assistant Secretary.

Sir,

With reference to the statement filed by you in defence of the cancellation proceedings pending against your homestead entry, the North East  $\frac{1}{4}$  of Section 19, Township 59, Range 23, West 4th Meridian, I beg to state that while you appear to be complying with the regulations in so far as residence is concerned, it does not appear that you have as yet sufficient ground under cultivation to warrant the Department in abandoning the cancellation proceedings outstanding.

It has, therefore, been decided to hold over the proceedings pending until the 1st of November next, by which date you should satisfy the Agent of Dominion Lands at Edmonton that you have brought under cultivation on your homestead an area equivalent to the cultivation of at least ten acres of the ordinary prairie land.

HC/521/H.

Ottawa, 23rd September, 1901.

MEMORANDUM:

Mr. Greenway.

The Department has under consideration improved methods for disposing of lands which heretofore have been subject to ordinary homestead entry.

Pending a definite pronouncement of policy, it has been decided to reserve all lands that under ordinary circumstances would be posted for ten days. This will, of course, not affect newly surveyed townships nor will it interfere with the granting of homestead entries where there is an applicant for cancellation.

You might instruct the Agents of Dominion Lands to refer for the consideration of Head Office all cases where under ordinary circumstances the lands would be automatically posted for ten days, and if there is anyone pressing to have the land made available, we can submit the matter for the consideration of the Minister. But where there is no one pressing to have the land posted, there is no reason why any submission should be made and the files should be noted to be brought up for consideration on day the 1st of December, next.

For definition of "settler" see section 2 of Soldier Settlement Act, 1919, see other side.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent (not Sub-Agent). No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be \$10.00. According to evidence on file in this office there are improvements upon the land stated to be worth \$

Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND

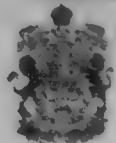

The following indebtedness is charged against this land \$49.70. The amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amounts so as to make up the full amount of indebtedness.

Re: Account of Frank Oldnall  
N.E. 19-59-23-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to \$35.00 was advanced to Frank Oldnall on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 35.00         | \$ 63.00        | \$ 98.00     |

The N.E. 19-59-23-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 31st of August 1921 and the land is still Crown Land held in the right of the Province.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the indebtedness be cancelled.

Company asking that they be allowed to acquire title to a piece of land for a school  
site located at a point about 200 feet east of the south-  
east corner of the south-east quarter of Section 7 in  
Township 57 Range 2 East of the Fifth Meridian. The Trust-  
ees of the Company have for some time been endeavoring to  
get in touch with the grantor of this quarter section, Mr.  
John Allen, in order to secure his title to the land or  
release to the required area for the school site. Up to  
date the Board has not been able to get in touch with the  
grantor of the land, and they have now decided to acquire  
title to a site across the road from that formerly approved,  
which is the south-west quarter of Section 7 in Township 57  
Range 2 East of the Fifth Meridian.

I would therefore recommend that they be allowed  
to acquire a site at this location.

Very respectfully,
